

***Do you want to become more confident?***

***Do you want to discover who you are as a leader?***

***Be the kind of leader that others WANT to follow?***

Now you can! The Leadership Leap is an affordable and accessible 12 week virtual leadership program designed to help new/aspiring leaders and/or staff teams to develop the competencies they need for leading now and in the future. Individuals and organizations will benefit from improved communication, increased confidence, and a better understanding of leadership.

**Lessons include:**

Self-leadership, Leadership 101, Emotional/Social Intelligence, Delegation, Empathy, Storytelling, Courageous Conversations, Dealing with Conflict, Collaboration, Inclusion/Belonging, Delegation, Effective Communication, etc

**LEAPERS** learn at their own pace, supported by group coaching a learning community of their peers.

**LEAPERS have access to:**

- 20+ Video Lessons
- Members Only Private Forum
- Live Monthly Group Coaching
- An Ever Growing Training Library
- Members Only Tools & Resources
- Lifetime membership of Learning Community

**Your Investment: Only \$397 per person!**

**About the Instructor – Lianne Picot:**

- Over 25 years of experience as a nonprofit leader, coach & trainer
- Certified Executive Coach
- Instructor at Ryerson University

**What Leapers have said about The Leadership Leap:**

*"My favourite part of The Leadership Leap is discovering myself and the kind of leader I want to be." Maeko*

*"I like the approach. Although I've never taken any other leadership course (so I have nothing to compare to), this course has an interesting take on leadership. I also enjoy the supportive environment." Katie*

*"The best parts of The Leadership Leap are real-life examples, plain-English explanations of topic material, group coaching sessions, online community." Janet*

*"This is the best online course I've done in a long time!" Nira*
