The Impact

We're gearing up for our 2026 CharityVillage Awards & Sector Summit on Wednesday, November 4!

Our national summit brings together the nonprofit sector in Canada featuring a State of the Sector panel discussion with industry experts and a series of awards recognizing outstanding impact in the sector. Over the past five years, over 3000 attendees enjoyed the annual awards. With over 50,000 unique visitors to the awards site, and over 145,000 sponsor impressions on the hosting platform - sponsors were widely recognized for their support.

We invite you to become a sponsor and join our community of Canadian nonprofits and charities who will be coming together at this virtual event to share knowledge and celebrate success.
