EREFERENCES

Automated Reference Checks. Real Insights.

Cut Hiring Time in Half
Forget phone tag and endless follow-ups. Our digital reference checks are completed 24/7, across any time zone, typically within **24–36 hours**.

Deeper Candidate Insights
Gain more than just opinions — collect structured, multi-source feedback, securely stored and presented in clear, exportable reports.

Built for Flexibility
References can respond anytime, on any device — whether desktop, tablet, or smartphone — without ever downloading an app.

Automation That Works for You
Bulk upload candidate lists, trigger reference requests automatically, and monitor responses — all from a simple, user-friendly dashboard.

Real-Time Communication
Instant email and text reminders keep candidates and references engaged — speeding up your time-to-hire without extra effort.

1. Candidate Receives Invite
Secure link sent to the candidate to enter reference contact details.

2. References Respond Securely
References complete confidential surveys through our web-based platform.

3. Feedback Compiled Instantly
Insights and analytics are captured automatically — no manual chasing required.

4. Reports Delivered to You
